Thanks to all of you who voted 30 Seconds To Mars Take Home an EMA!

We are happy to announce that 30 Seconds To Mars have won a 2007 European MTV award! You have all spoken loudly and made your voices heard.

MARS won the coveted "Rock Out" award at this years show held in Munich, Germany and were up against some of the biggest bands in the world.

Shannon and Tomo couldn't make it to the show but Jared called them on speakerphone to share the good news...[view the acceptance speech here](#)

We couldn't have won without your support. A thousand thanks to everyone who voted for us - we love you all!
